

EFESTĒ | 2015 Emmy GSM

Wahluké Slope AVA

Produced in small quantities exclusively for our cherished wine club members, this is the wine to pour when you want something rich, dark and unique. Comprised of Mourvèdre, Grenache and Syrah exclusively from the Stonetree Vineyard, this wine displays the dark, extracted raspberry qualities of a Syrah, with oomph and mysterious spicy notes thanks to the Mourvedre. Named for Emmy, the daughter of EFESTE co-founder Patrick Smith.

Tasting Notes

Youthful ruby/purple color. Cured meat, black olive and orange peel present themselves immediately, with perfumed nuances of purple flowers, potpourri and dried red berries persisting in the glass. Rich and savory as Mourvedre should be, the Syrah adds meatiness and color and the Grenache, rich red fruits and citrus peel flavors. Seamless and full with a spicy and long finish.
