

EFESTĒ | 2017 Emmy GSM

Wahluké Slope AVA

Produced in small quantities exclusively for our cherished wine club members, this is the wine to pour when you want something rich, dark and unique. Comprised of Mourvèdre, Grenache and Syrah exclusively from the Stonetree Vineyard, this wine displays the dark, extracted raspberry qualities of a Syrah, with oomph and mysterious spicy notes thanks to the Mourvedre. Named for Emmy, the daughter of EFESTE co-founder Patrick Smith.

The Wine

Tasting Notes

This year's version of Emmy is a Mourvèdre dominant Rhone blend. Earth tones and gamey flavors are dominant, the small generous amount of Syrah with a splash of Grenache provide soft plum and big red fruit flavors with a round mouthfeel. My favorite part of this wine is the black pepper and spicy finish. Feel free to enjoy this wine today!
