## 2018 CEIDLEIGH SYRAH

*Red Mountain AVA*

### THE WINE

Our “Ceidleigh” Syrah (pronounced kay-Lee) is made entirely from Red Mountain grapes. Old and new world in a glass is what makes the Ceidleigh a distinctive wine deserving of its name, which means ‘celebration’ in Gaelic. Sourced from our Angela’s Estate vineyard on Red Mountain. We decided to ferment in 100% stainless steel, with a small amount of whole cluster, not only to showcase the vineyard but to add diversity to our two Estate Syrah’s!

### ANALYSIS

pH: 3.9  
TA: 0.59

### TASTING NOTES

“The 2018 ‘Ceidleigh’ Syrah is a dense, gratifying and hedonistic effort by superstar winemaker Mark Fiore. Smoky tones mingle with blackberry compote and black licorice with sagebrush undertones on this intoxicating nose. The palate is fresh and balanced, yet very gratifying. The mouth-watering acidity really adds to the enjoyment as layers of dark currants, blackberry cordial, coffee grounds and underbrush flavors come together with the great sense of acidity. Fantastic to enjoy right now, this beautiful new Syrah will cellar well for another decade or more.” Dr. Owen Bargreen, 93 points
