

# EFESTĒ

## 2020 PAULIE GSM

*Wahluke Slope AVA*

### THE VINEYARD

Stone Tree Vineyard

### THE WINE

Grown from Block One in Stonetree Vineyard, these grapes have been together their whole life. Tricky growing and picking decisions allow us to co-ferment all three varietals.

49% Grenache, 26% Syrah, 25% Mourvedre

### ANALYSIS

pH:3.85

TA:6.2

Alc:14.5

### TASTING NOTES

This wine is back after having taken a year off due to smoke taint in Stonetree vineyard in 2019. We also modified the grapes we purchase to create more of a true GSM in our Co-ferment. You'll notice brightness in this wine, flavors of cranberry, raspberry and iron. There's a slight bit of new oak again simply to aid in the lengthy round finish! Enjoy!
